Notice: Request for Qualification (RFQ) for engineering service for Waste Water Facility Improvements (WPDES Permits 0407003 and 0407004)

The City of Centerville, Iowa is requesting statements of qualification for engineering services to at a minimum develop and implement an engineering action plan in response to pending DNR Waste Water permits and at a maximum develop a Facility Master Plan for the Centerville Waste Water system. Final documents will be used to apply for CDBG funding for implementation of required improvements.

Responses to this request are due by noon on September 24th, 2018. Five copies are requested for review. Qualifications are to be submitted to:

City of Centerville
City Administrator
PO Box 578
Centerville, IA 52544

All responses shall include at minimum the following information:

- Prior experience in projects of this type;
- References for at least three wastewater projects;
- Listing of qualifications of staff to be assigned to the project.

Site visits can be scheduled prior to the submission deadline via email to cityadmin@centerville-ia.org.
